Madison Pharmacy Medication By the Dose

Taking Your Medication Precisely As Your Physician Has Prescribed Is One Of The Very First Steps To Good Health

Madison Pharmacy Helps you to Remember...

- Our Medication By the Dose Bubble packages contain medication for each day.
- Prescription labels and drug warnings are clearly placed on the card.
- A time is marked when to take your medicine.
- Our packaging format offers confirmation that you have already taken your medication.
- We give you a new and disposable card with each prescription.
- At the end of the month we will refill your cards as directed.
- **Simple, Easy And Safe...Improves Patients Compliance**

Are you at risk for medication error?

- Are you taking 2 or more medications on a daily basis?
- Are you taking the incorrect dosage?
- Are you taking your drugs at the wrong time?
- Are you forgetting 1 or more doses?
- How often do you check if you are properly taking your medication?
- Are you uncertain if you have taken your medication?
- How much time do you spend preparing your medications?
- Are you a caregiver for someone on multiple medications?
- Is your child/student on multiple medications at college, boarding school or sleep away camp?
- Are you a busy executive on the go?

Join our Pre-Packaged Medication By the Dose Program.

It's Simple...

- Just fill your prescription like you normally do at our Pharmacy every month.
- Request our Pharmacist to professionally prepare your specific medication regimen in one of Madison Pharmacy's Prescription Medication cards, our way of making sure that you take **the Right Medicine, at the Right Time, on the Right Day in the Right Dosage.**
- Verify the prescription label and appropriate drug precautionary warning labels like you always do.
- Punch out today's dosage and begin your daily medication program.
Current packaging program does not include the cost of medication.
