### **The Madison Pharmacy Good Neighbor Prescription Savings Plan:**

**The Good Neighbor Prescription Plan** is one of our newest prescription cost saving programs. You can save on nearly 5,000 brand and generic medications available in a 30 or 90 day supply. Our list will continue to grow as more brand name medications become available in their generic equivalent form. The prescription pricing schedule is as follows;

**30 Day Supply \$5.95 per prescription**  
**90 Day Supply \$12.95 per prescription**

Taking advantage of the **Good Neighbor Prescription Savings Plan** is easy. The process is simple. Visit our store or phone one of our Customer Care Representatives. Request the appropriate membership form to join the **Good Neighbor Plan**. You will then receive a temporary membership card and be able to take advantage of great savings and advice on all of your prescription needs. Your personalized **Good Neighbor Prescription Savings Plan** card will be mailed to your home in a couple of weeks. Just ask that your Physician prescribes the appropriate medication from our formulary or have your prescriber call our Pharmacist to discuss other suitable alternatives that are cost effective under **The Good Neighbor Prescription Plan**. You may continue filling your medication as you always have... but now you will save even more.

There is a yearly minimum membership fee of \$ 11.95. We value your patronage as a preferred client of our pharmacy. **As our compliment to you and your family, The Madison Pharmacy will be paying your first year membership fee for you to take part in this cost-saving prescription program.** Many employers are purchasing this membership for their dedicated employees.

**Our Good Neighbor Prescription Plan** Department will supply you and your family with a copy of the **Good Neighbor** Formulary which can accompany you on a visit to your physician so he/she can be aware of alternative drug protocols specific to your **Good Neighbor Prescription Plan** Formulary. We will update this formulary periodically when updates and changes become available.

*\* This Program is not an Insurance Benefit. Persons receiving Prescription Benefits from a Publically Funded Healthcare Program (Medicare, Medicaid, TRICARE), are ineligible.*
